Presidents Message

It's hard to believe winter is almost over, doesn't seem like it should be March already! We have been lucky this winter and missed out on most of the winter weather but we've had to deal with some pretty cold temps, at least now we are getting some much needed rain.

The 2018 Winter Convention is here! I hope everyone plans to attend, it should be one to remember! Thank you to Penni and Randy and all the committees that have put this convention together. Please look for more information further down in the newsletter.

We had a great turn out for the Christmas dinner at Pilot Grove, there was a wonderful catered meal followed by the membership meeting and door prizes. The location for the 2020 state show was voted on and was awarded to Northeast Missouri Old Threshers in Shelbina, MO.

Officer elections were also held at the directors meeting in Pilot Grove. The officers for the 2018 year will be Andrew Dawson- president, Greg Harrell- vice president, Randy Weiss- treasurer and James Mitschele- secretary. I would like to thank Norman Williams for his service as vice-president, he will continue to be on the board.

After several conversations and some prompting, the board decided at Pilot Grove to look into hosting the 2021 Red Power Round-Up, to be located back in Sedalia. A meeting was held with the fair officials in Sedalia and everything was well received. The board has decided to move forward with putting a bid proposal together to be voted on this summer at the RPRU in Alabama. We would be going up against Chapter #32 Sothern IL. This will all still have to be voted on and approved by our membership at our next meeting April 7th.

Our next membership meeting and dinner will be held April 7th in Shelbina, MO at the United Methodist Fellowship Hall, hosted by David and Libby Youse. This will also be our annual auction, if you plan to attend please contact myself or David.

Our second quarter meeting will be hosted by Larry and Ramona Meservey, July 7th in Trenton, MO. There will be more information in the next newsletter.

Hope to see everyone in Branson! Andrew

Winter Convention 2018

Winter Convention 2018 - Penni and the group are extremely busy with final plans and preparations for the convention. All committee chairs will travel to Branson on 17 Feb to do the final walkthrough and planning for the show. Please let Penni know if you plan on attending the activities on the 17th so we know who to expect and what all we want to look at. This will be our final opportunity to see the venue and adjust our plan to make the show a success. We have exceeded expectations on the number of registered guests for the hotel, so if you call, the advertised rate may not be available for all three nights, this is a good and bad problem (LOL). The hotel will offer a reduced rate for their premium rooms, but they cannot match the advertised rates for these larger rooms. The trips have also been a great success, we have added additional buses for the Dixie Stampede to satisfy demand. Our goal is to not turn anyone away from the trips. Currently we have roughly 220+ signed up for the banquet on Saturday night and we are getting more each day. The Auction has also been the subject of the nightly barrage of calls, what can I bring, how much can I bring? We have set the commission at 15%, you can either donate or consign items, but they must be IH. Now is the time to sell anything IH you have determined to be excess in your collection. Early registration of items will start on Thursday afternoon with main push being Friday. Items should be easily transported, we do not recommend tractors or heavy parts that would require heavy equipment to move the item. It is our hope that vendors will begin to register now that the New Year is underway and the event is looming on the horizon. While we have a wide variety of vendors registered, we hope to have many more register before the end of the month. The deadline for sponsor ship and advertising is also very near, as the program must go to printer soon. If you wish to advertise or sponsor the event in anyway please contact the committee chairs as soon as possible. If you have any questions check out the winter convention tab on the Missouri Chapter 1 website (www.showmeihc.com) or call Randy & Penni Weiss, at 417-286-3015 anytime with your concerns.

Hope to see everyone at the Convention!!!

Penni & Randy Weiss
