Guidelines for Future Farmers of America

Restoration of an International Harvester Tractor

Missouri Chapter # 1 International Harvester Collectors Club (IHCC) is seeking a Missouri FFA chapter to sponsor with grant money, for the 20__-21__ school year. The grant money and IHCC support is to assist an FFA chapter in the restoration of an International Harvester farm tractor. Guidelines are as follows:

1. FFA Chapter is to find an International Harvester tractor to buy or have one donated to the chapter. If donated, the tractor will become the property of the FFA Chapter.
2. MO IHCC Chapter # 1 to give \$1000 at start of project and an additional \$1000 at completion of project.
3. MO IHCC Chapter # 1 will provide technical support, advice, and help finding parts, if needed.
4. Project is to be finished in one school year.
5. Before, during, and after progress pictures are to be provided to MO IHCC Chapter #1.
6. Cost record of parts and supplies purchased and/or donated for restoration to be provided to MO IHCC Chapter #1.
7. Finished tractor must be displayed at Missouri State Fair and/or at MO Chapter #1 State Meeting, which will be held July, August, or September 20__, at a County Fairgrounds, in Missouri.
8. Completed tractor must be sold (auctioned, raffled, or sold on e-bay or Craig's List), with proceeds going to the FFA chapter in charge of restoration.
