## Missouri Chapter #1

Summer, April 23, 2014

### Notes from Your Chapter President

Well, spring is here. I am glad this winter is finally over with! Now I can get back to things I was working on last fall, when the weather turned off nasty. Let's just hope this summer does not turn out to be hot and dry.

We had a great turn out at our last membership meeting, hosted by Jim and Tana Mitschele, March 15th, in Richland, MO. It was a beautiful day and we had a great meal. This was the largest turn out in the last several years, I think everyone had cabin fever. We welcomed Cliff and Sharon Hawn, Ray and Judy Chilton, along with Gordon and Janet Stegner's granddaughter, as first time attendees. After the meeting we had the annual auction, with Jim Bogart as the auctioneer. This was one of the best auctions we have ever had – thanks to everyone that donated items. A big thanks to James and Tana for hosting a great meeting.

Our next membership meeting will be May 17<sup>th</sup>, at Hagies Bar & Grill, in Union, MO, hosted by Bob and Brenda Buxton. This will be a good chance for some of the members in the east and southeast part of the state to attend a meeting. Please let Bob and Brenda know if you plan to attend, so they can have a good head count. A map to the meeting site is included, along with Bob and Brenda's contact info on the Calendar of Events page.

For everyone that is planning to attend the RPRU, this summer in SD, most motels in the area are booked. The last I heard there were still a few in Mitchell, about 40 mi away, but they are going fast. Also, if you plan to rent a golf cart at the show, please see the notice about insurance requirements, further back in the newsletter. For everyone that plans to attend, please try and make some time to spend at the chapter table, we will need all the hands we can get to help promote our show next year.

Planning for the 2015 Red Power Round Up is moving along well. We have had some planning meetings, with more planned in the future. There are still a few committees open – if someone would like to help, please let Gordon Stegner or myself know.

As we start to get into some nice weather, the shows and activities will begin, so everyone please take time to keep safety in mind. Hope to see everyone the 17th in Union.

Andrew

At our December meeting, Bob Buxton was presented a plaque of appreciation for all he had done for Missouri Chapter #1. In the last several years, he has served as president of the board (we believe from 2002 – 2010), and he worked tirelessly on the 2008 RPRU.

A long-time lover of International Harvester equipment and memorabilia, Bob was there at the conception of Missouri Chapter #1, when he and several other IH fellas gathered together for a picnic – and maybe the beginning of the ever-popular Red Power Round Up.

Supported fully by his wife Brenda, Bob and Brenda often have their grandchildren at the Red Power Round Up shows with them.

Once again, we Chapter #1 members send our thanks to Bob Buxton for everything he has done to help make Missouri Chapter #1 IHCC a truly wonderful organization in which to participate.

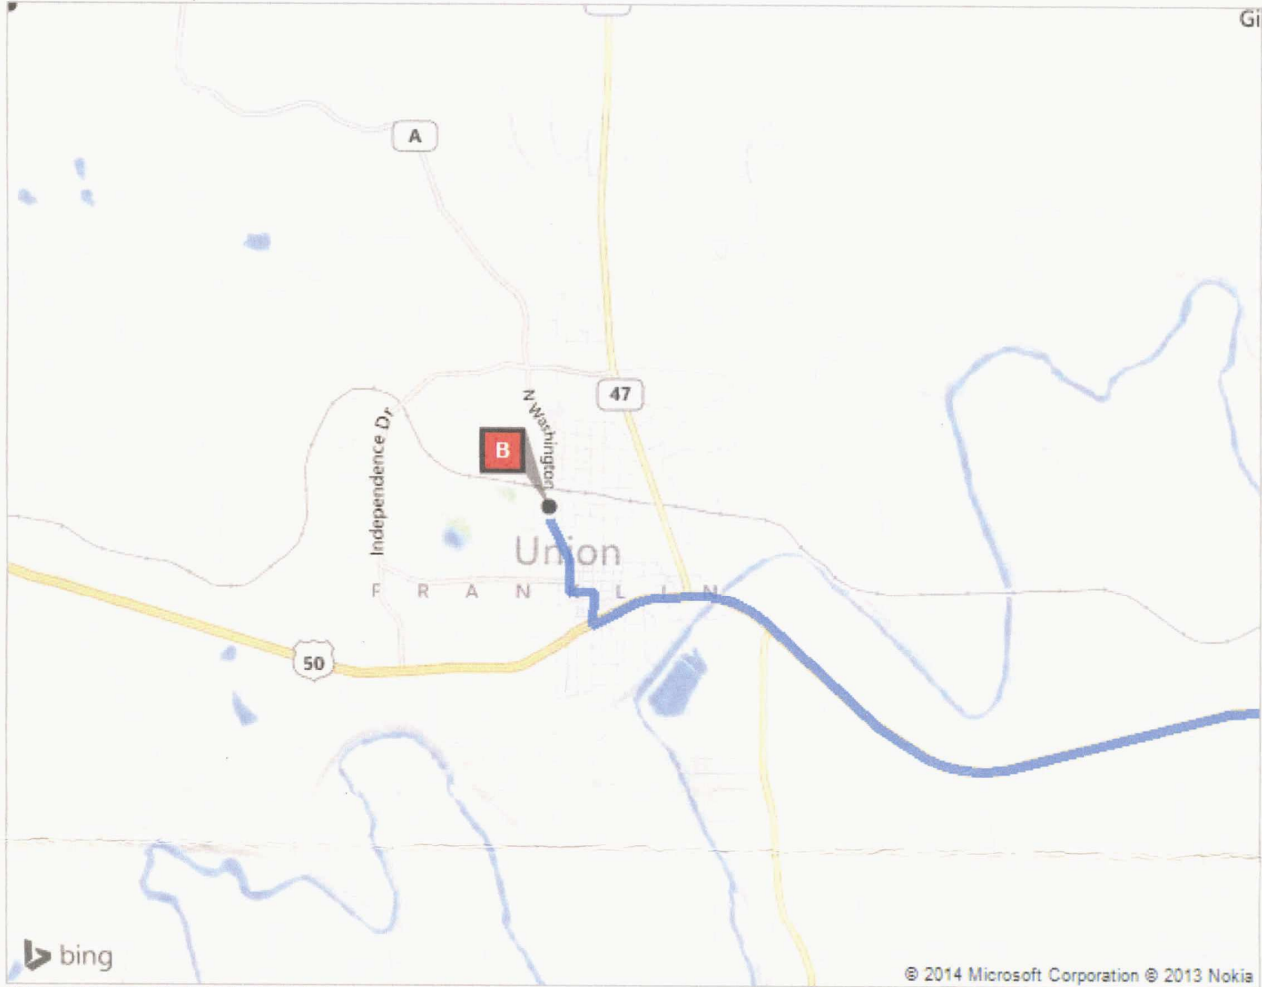

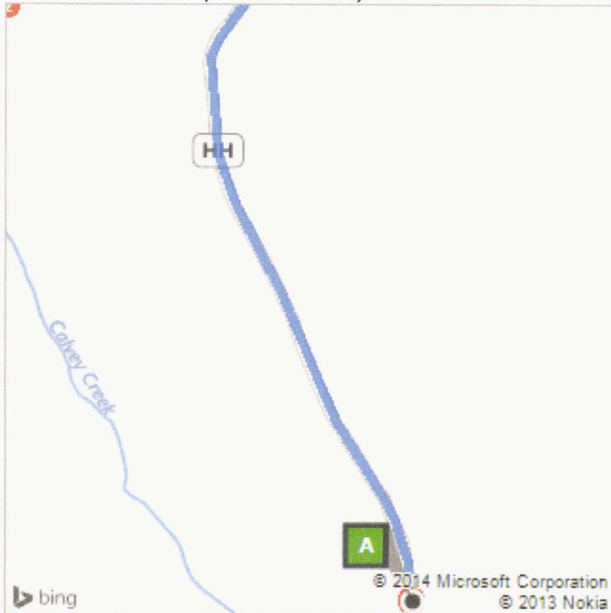

Directions to Hagies and/or Bob Buxton's home. Please call Bob to let him know you'll be there.

Route: 18.5 mi, 26 min

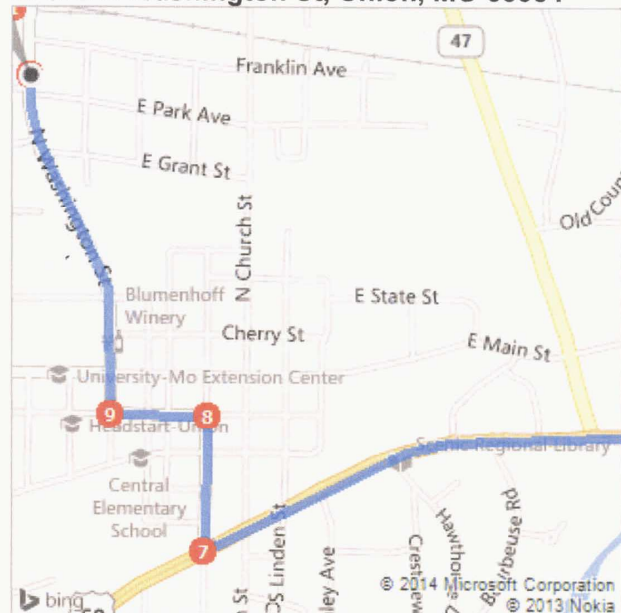

This was your map view in the browser window.

**A: 7999 MO-HH, Catawissa, MO 63015**

**B: 618 N Washington St, Union, MO 63084**

## Notices

### 2014 Red Power Round Up, Huron, SD

#### IMPORTANT NOTICE TO THOSE RENTING A GOLF CART FROM THE GTI GOLF CARS CONCESSION AT RED POWER ROUNDUP

International Harvester Collectors, Inc. and South Dakota Chapter 21 wish to advise those contemplating renting a golf cart from Golf Tournament, Inc. Golf Cars, the cart concessionaire at the 2014 Red Power Round Up in Huron, South Dakota that **NO PUBLIC LIABILITY INSURANCE** is included as part of the cart rental contract.

Please be aware that most homeowner's, farmowner's, or renter's liability policies do not provide coverage for the operation of a golf cart away from or off the insured premises. Cart renters are **strongly advised** to check with their personal insurance agent or broker to ascertain that coverage is afforded under their own personal policies. Endorsements covering off premises operations of carts can generally be purchased for an additional premium charge.

This notice is being provided to cart renters as this situation represents a change in practice from past IHC national events where the cart concessionaire provided public liability insurance for the renter as part of the daily rental fee.

Thank you for your attention.

The South Dakota Chapter 21 Show Committee  
and  
International Harvester Collectors, Inc.

Go to <http://nationalihcollectors.com/PDF/2014RPRU.pdf> to learn more about the 2014 RPRU.

#### Other Notices

**Here is a March 28 note from Stanton Gragg** – “Visited with the cardiologist this morning. She said that even though the valve leak is sufficient to warrant surgery, the rest of my heart appears to be doing fine and we can hold off 'til later this year. That's great news for me.

It appears that a valve repair is in store rather than a full replacement. That was also good to hear.

She didn't have any restrictions on activities and wants to see me again in 6 months for another echocardiogram. So, it appears I'll be headed to open heart surgery sometime this September/October.

Thanks for your prayers; I'm humbled. Stanton”

Stanton's address is: 11905 S Brown Road, Lone Jack, MO 64070-9264

**You may still pay dues for 2014!!** Even though you may have missed one issue of Harvester Highlights, you won't miss further issues if you renew soon. Also our Missouri pins and 5 year bars are based on **continuous** membership. Your dues can be mailed to Ramona Meservey, 380 SE Daisy Lane, Trenton, MO 64683-8320.
