Missouri Chapter #1

Spring, Revised March 12, 2015

Notes from Your Chapter President

Here it is time for a newsletter! It really seems like this year is flying by, hard to believe it is March! June will be here before we know it.

Our last membership meeting in Pilot Grove was a great meeting with close to 100 in attendance. We had a great meal, with a very productive meeting following the meal. Two new officers were elected at the directors meeting, Randy Weiss was elected as Treasurer and James Mitschele was elected Secretary. We also have a new Membership Secretary, Amy Perkins and now a Club Historian, Miles Wolfe. At the meeting Ramona Meservey and Gordon Stegner were both recognized for their years of service to the board.

Planning for the RPRU is moving along great. We have been having regular meeting since last fall where lots of things have been getting accomplished. Although things are going great we still need all the help we can get. There is a list of committees in this newsletter; if you see a committee that you would like to help with please contact the committee chairperson, June will be here before we know it!

Our next board meeting will be held at 9:00 am March 21st, at the Pork Place (west of the Grandstands), on the Missouri State Fairgrounds in Sedalia. Our noon meal will be prepared by the Missouri Pork Producers and will cost \$10 per person. Please RSVP by March 14 so we will have a good head count (660)346-0319/ihearttractors@yahoo.com. The membership meeting will be at 1:00 pm. Also do not forget about the auction after the meeting!

We will not have a second quarter membership meeting or a state show this year because of the RPRU, this will be the last membership meeting before the show. Our third quarter meeting will be at my house in Macon, August 15th, there we will have elections for directors and vote on the location of the 2017 state show.

Hope to see everyone the 21st in Sedalia. Andrew

Membership Secretary

My name is Amy Perkins and I am the new Membership Secretary starting the New Year. I will try to do my best to do as good of a job as Ramona has done in the past, as I have big shoes to fill. I am married to a wonderful husband, Joey Perkins, for going on 10 years and we have two wonderful daughters, AnnaBelle (6 yrs) and Taylor (4 yrs). I work for Con-Agg of MO, LLC as the Operations Administrator going on 9 years. Con-Agg of MO, LLC has divisions under it which are Quarries (Boone Quarries & Norris Quarries which sale rock) and they have Ready Mix (Columbia Ready Mix which sales concrete). My family and I enjoy going to tractor shows and old threshers. I have my own 1948 Farmall Cub tractor that I am hoping to have restored before the RPRU in June. We also have several International Stationary Engines and other brands of engines that we enjoy taking and exhibiting at shows. If you are currently a member and need to renew or you would like to join the Missouri Chapter & National to become a member, feel free to contact me or mail me your dues. Dues are \$25 per person which covers you to be a Missouri & National member.

At the membership meeting, I will make a presentation of the 20-year bar to Lloyd W. Viehland. I will also have bars for the following people to pick up from me at my registration area: 15-years – Stephen Conard, James N. Gall, Jr., and James & Marjorie Voyles: 10-years – Russell W. For Sale: a friend of John Puckett, who lives near Potosi, MO, has two old IH trucks, which he is wanting to sell: 1) first is a 1940 flatbed (18 foot). 6 cylinder Continental engine. John Puckett did manage to turn the engine a little using the fan. Appears to be in pretty good shape - picture at <http://home.centurytel.net/ejpuckett/For%20Sale/Steve/1940/>; 2) The other truck is a 1952, which is rougher. It currently has a dump bed, but according to the Air Force property tag on the dash originally had a platform bed with sides - picture at <http://home.centurytel.net/ejpuckett/For%20Sale/Steve/1952/>. He does not know their value, but would like for them to go someplace other than a scrap yard. If any of your members are interested, his name is Steve Hicks, 573-438-4629.
